

Lost in Transit Policy

NorthStar Commerce — Customer Operations | POL-CX-021 | type=delivery | v1.0 | status=active

1. Purpose & Scope

This Lost in Transit Policy ('the Policy') governs how NorthStar Commerce Customer Operations identifies, investigates, and resolves delivery-related situations across all sales channels (web, mobile app, phone, email, partner marketplace). It applies to all consumer and small-business orders fulfilled through NorthStar distribution centers and approved third-party carriers. The Policy is binding on all customer-operations agents, team leads, quality reviewers, and automated resolution systems. Any deviation requires documented approval from the CX Policy Team and is logged for audit. The Policy is reviewed quarterly and supersedes any prior guidance on the same subject matter.

Resolution. The action taken to close a claim: refund, replacement, credit, or escalation.
