

Delivered Not Received Policy

NorthStar Commerce — Customer Operations | POL-CX-022 | type=delivery | v1.0 | status=active

1. Purpose & Scope

This Delivered Not Received Policy ('the Policy') governs how NorthStar Commerce Customer Operations identifies, investigates, and resolves delivery-related situations across all sales channels (web, mobile app, phone, email, partner marketplace). It applies to all consumer and small-business orders fulfilled through NorthStar distribution centers and approved third-party carriers. The Policy is binding on all customer-operations agents, team leads, quality reviewers, and automated resolution systems. Any deviation requires documented approval from the CX Policy Team and is logged for audit. The Policy is reviewed quarterly and supersedes any prior guidance on the same subject matter.

2. Definitions

Resolution. The action taken to close a claim: refund, replacement, credit, or escalation.

Clean claim history. An account with no prior refund abuse flags in the trailing 12 months.

Goodwill credit. Discretionary store credit issued to preserve customer satisfaction.

Escalation. Routing a claim to a human agent or specialist team for review.

SLA. Service-level agreement defining the maximum time to act on a claim.

Carrier signal. Tracking event reported by the shipping carrier (e.g., delivered, in transit).

3. Detailed Rules

DNR-INVESTIGATE — Porch & Carrier Checks

4. Procedures

Agents follow these steps for delivery claims: (1) verify the customer's identity and account standing; (2) retrieve the order and carrier signal; (3) confirm the claim against the Detailed Rules above; (4) check the Exceptions section; (5) apply the resolution or escalate; (6) record the rule code and outcome. Steps must be completed within the SLA defined for this policy type.
